

HOMELESS CHILDREN BENEFIT THIS WEEK

N. S. G. W. to Aid Worthy Work by Giving Two Shows at Don Theatre.

The splendid charity work fostered by the Native Sons of the Golden West for the homeless children will be aided the coming week by Sonoma Parlor No. 111, who will give two shows at the Don Theatre for the benefit of the fund.

Wednesday and Thursday nights have been selected by the committee and Manager John Mohr of the theatre has selected some excellent offerings, featuring the great actor, Bert Lytell in "The Right of Way," and a comedy of two reels will also be shown.

You will enjoy the performances and be doing your "bit" by attending the benefit. Don't forget the homeless children.

DANCING, CARDS AND RAVIOLI SUPPER TONIGHT AT "PAN'S"

Tonight is the night of the "best ever" dance and ravioli supper at the Panerazi auditorium, Glen Ellen. The popular hosts, Mr. and Mrs. Julius Panerazi, are being aided by the Catholic ladies of Glen Ellen, the proceeds to be turned over to St. Francis church.

Enjoyments and diversions galore are on tonight's program for in addition to dancing to ultra-syncope jazz music there will be the savory ravioli supper, a door prize worth winning and card playing for those who do not dance—prizes too including hand-painted china boudoir caps and sofa pillow. Tickets have been selling rapidly, and all who attend are assured a fine time.

SONOMA SEED COMPANY HAS RARE OFFERINGS

The attention of our readers is called to the advertisement of the Sonoma Seed company Santa Rosa, and some of its rare offerings to planters. The Cory Thornless Mammoth Blackberry, which is almost seedless and a wonderful grower, the Jefferson Plum, a splendid canning variety, and St. George Resistant Grape Vines, which defy phylloxera and produce excellent grapes. For other specialties, see ad.

INTERVIEWED HIGHWAY COMMISSION IN S. F.

Supervisor Lowell, Wm. Clewe and Mrs. Shepard from this Valley Receive Some Encouragement as to Our Roads.

A determined and enthusiastic delegation of good road boosters visited the state highway commission on Wednesday in San Francisco. Sonoma valley was represented by Supervisor Fred Lowell, Wm. F. Clewe and Mrs. Eliza Shepard. They returned home with the report that the commission must have considerable more preliminary data on the piece of highway to be built between here and Santa Rosa, and rights of way must be straightened out, new bridges built and other work arranged before the commission will proceed. Supervisor Lowell says it may take two years and has therefore decided to make extensive temporary improvements on this piece of road.

The Black Point Cut-off will be paved in the spring and the link of highway between Healdsburg and Cloverdale built. This is as much as the commission promised the delegation Wednesday.

SONOMA FARM CENTER HAS BUSY MEETING

The Sonoma Farm Center met last Friday night and had a busy meeting. The old officers, including Director Morris Levy, were re-elected to serve for another term. The meeting night was changed to the third Wednesday of each month, making the next date February 16th.

Messrs. H. O. Jones and Lombard representing the prune and apricot growers and the Pear Growers' association, addressed the meeting on the advantage of co-operative marketing.

The farm advisor gave a talk on future plans and work for the center. W. L. McAllister urged the farmers to get behind the movement to send H. W. Kerrigan to Washington in the interest of the poultry and egg industry. Petaluma has asked the help of all the poultrymen, and Mr. McAllister asked for more committee men to solicit funds in the fight for a tariff against foreign egg shipments. Messrs. Joost and Bolin were appointed.

The Farm Center decided to give a party on Washington's Birthday eve.

Over \$100 was cleared at the New Year's dance.

New names added to the membership roll include Messrs. Andrews, Oberg, Helberg, Dow, Beers, Klapperich, Soderberg and Warren.

JEP VALENTE IS CHIEF OF SONOMA FIRE DEPT.

City Trustees Name Seven to Have Charge of New Engine and Department.

The city trustees have named Jep Valente chief of Sonoma's fire department with Sam Lewis first assistant and Charley Taylor second assistant. In addition to these three stalwart volunteers, Messrs. Bertoli, Fochetti, Leiser and Busby will comprise the new fire engine crew for our city.

Captain Wm. Gill, for 27 years a leading member of the San Francisco Fire Department, came to Sonoma the first of the week to aid in organizing the new department. He came at the request of the Watrous Fire Engine company, whose policy it is to aid all communities owning the Watrous fire engine. Captain Gill proved very instructive and entertaining, and showed how to get the most efficient service from the new equipment.

The engine is now kept at the city hall and the new department will be ready to respond in case of any emergency.

The selection of the new fire chief and his aide, meets with general approval. Jep Valente has proven his mettle at many fires in the past. Sam Lewis had had fine experience in the old company, and Charley Taylor can be depended on to give a good account of himself. The mechanical engineers are all young men of natural ability in their line and know the mechanism of the new engine thoroughly. When Fire Chief Valente gives orders he won't have to shout through a megaphone either.

Sonoma has a department of which we can well be proud and it is predicted that the members will prove worthy successors to those valiant leaders in Sonoma's original volunteer fire department who despite antiquated equipment performed heroic service at many fires which threatened complete destruction of our town.

The Mission Creamery is making curd from skim milk to sell to poultrymen for their chickens. It is good healthful food.

Miss Edna Cooper had the pleasure of a visit with Miss Shirley Ward, former Sonoma high school teacher, recently when both were guests at the home of Mrs. Marjorie Fisk Buchanan in Pacific Grove. Miss Ward was teacher of English in the Watsonville high school and has a fine position.

SONOMA MOTORISTS ARE RUN DOWN NEAR NAPA

Reckless Driver Collides with Percy Carmer and Party Returning Home Sunday Evening.

While returning to Benicia last Sunday night, a Ford owned and driven by Percy Carmer was struck by a reckless motorist and wrecked. Carmer and the other occupants, Messrs. Henry Heuer and Wm. Dwyer, escaped unhurt. The accident happened on the other side of Napa, and the reckless driver of the big new Buick, who was responsible for the collision, was arrested. Carmer's car was badly damaged and had to be towed to Napa. Carmer, Heuer and Dwyer were taken to their home by Phil Leiser, of the Mission Garage, who happened along just after the accident.

The Benicia residents had been over here visiting relatives and friends. They declare that the driver of the Buick was intoxicated. He was coming from Vallejo toward Napa when he met and smashed into the Carmer car.

RUDY LICHTENBERG OF BOYES INTERESTS SELF IN HIGHWAY

Attorney Thomas P. Boyd, accompanied by Rudolph Lichtenberg and A. J. Francis, the latter of Napa, returned yesterday from Sacramento after participating in a conference concerning the early commencement of the work on the Black Point Cut-off.

"We secured assurances," Mr. Boyd said, "that the members of the highway commission would take immediate steps to inaugurate the work for which an appropriation already has been authorized. We presented to them the facts which admittedly prove the justice of our request that this work be hastened. The Black Point Cut-off is an important link connecting Marin county with Sacramento valley, and with the contemplated improvement completed it will be the means of attracting through this county thousands of automobilists who now seek other routes." POPULAR TEACHER TO BE BRIDE OF SHIRLEY WEISE

Miss Myrtle Minkel and Son of Ex-Supervisor are Being Congratulated on Their Engagement.

Miss Myrtle Minkel, the popular school teacher, daughter of Mr. and Mrs. Wm. Minkel of El Verano, and Shirley Weise, son of Ex-supervisor Harry Weise, are receiving the congratulations of many friends on their approaching marriage. The engagement was formally announced this week and the wedding will probably take place in June, the month most adored by lovely brides.

Miss Minkel is at present teaching at San Luis Obispo, where she will finish out her term. She is one of our most successful young educators, and has held good positions both in this valley, Martinez and in the south. While residing in the "Valley of the Moon" she took a leading part in social and church circles. She is an accomplished singer and a girl of charming personality.

Shirley Weise is a graduate of the Sonoma high school and served in the army during the war. He is a splendid type of young man and one of the leading farmers and vineyardists of the Glen Ellen section.

The young folks have not fully made their future plans, but it is understood that they will reside on the Weise ranch at Glen Ellen in the beautiful home of Mr. and Mrs. Harry Weise, who already regard their son's future wife with great fondness.

The Index-Tribune extends to young Mr. Weise and his fiancée hearty congratulations.

JOINT INSTALLATION OF I.O.O.F. AND REBEKAHS

New Officers of the Two Sonoma Lodges Installed Thursday Evening.

The joint installation of Sonoma Lodge of Odd Fellows and Verdant Degree Rebekahs took place Thursday evening and was, as always, an impressive and beautiful ceremonial. The installing officers came from Healdsburg and Cloverdale, District Deputy Florence Farrance for the Rebekahs, and Chas. Johnson for the Odd Fellows, put on the work in a splendid manner.

Past Noble Grand Edna Cooper of the Rebekahs, who has been a most efficient and popular officer of the lodge for the past year, turned over the gavel to Miss Agnes Revie. The entire list of officers installed were as follows:

P. N. G. Edna Cooper; N. G. Agnes Revie; V. G. Ethel Revie; Sec., Gladys Small; Treas., Emily La. Torres; Warden, Dorothy Baueroft; Conductor, Stella McGill; Chaplain, Emma Small; RSG, Ada Pauli; LSG, Louisa McElroy; RSVG, Jessie Hissler; RSVG, Emily Abele; IG, Nellie Peterson, OG, Anna Giorno.

Past Grand Ray Cooper of Sonoma lodge is succeeded this term by Robt. Abele and the following corps of officers:

NG, Robt. Abele; VG, Joe Stichel; Sec., H. Lutgens; Treas., P. Bill, Sr.; Warden, Chas. Taylor; Conductor, H. J. Dunn; Chaplain, W. S. Dunn; RSG, Roy Pauli; LSG, Frank Knolle; RSVG, Jno. Wagon, LSVG, Geo. Angove, RSS, V. Giorno; LSS, Earl Revie; IG, Joseph Vella.

Installing officers of Sonoma Lodge No. 28 were: C. L. Johnson, W. F. Hitt, R. W. Bentley, Chas. Jackson, A. W. Saunders, all of Cloverdale. Installing officers of Verdant Lodge no. 99 were: Florence Farrance, Frank Farrance, Mrs. E. Richardson, Mrs. M. Dewey, all of Healdsburg.

After the installation there were delicious refreshment, dancing and entertainment.

Mrs. Marcel Charlat had as guests Tuesday afternoon Mrs. E. H. Gill, Mrs. Frank Joost, Mrs. R. Langer, Mrs. S. Benlacher, Mrs. C. McKendrick at her house on the "Blue Bird Farm," El Verano.

MRS. JULIA BURRIS PASSED AWAY THURSDAY

Pioneer Mother of Prominent Family Dies at Home Here After Long Illness.

Mrs. Julia Burris, widow of the late David Burris, and mother of President F. M. Burris of the Sonoma Valley Bank, passed away Thursday night after a long illness. She was one of the prominent pioneer mothers of the Sonoma valley and came from stalwart American stock. She had reached a good old age, and up to a very short time ago was possessed of the indomitable spirit and courage which had marked her more youthful days. A real help-mate and devoted mother, she reared a large family and helped amass the large fortune accumulated by her husband, the late banker and land owner. The surviving children are Mesdames Draper, of Modesto; Hoppe, of Ukiah; and Glanister, of Santa Barbara; Frank M. Burris, of Sonoma; and Josh, Ed, and Henry Burris, of Hanford.

The funeral will be held from the late residence of deceased, with interment in the family vault at Cypress Lawn cemetery, San Francisco.

DEATH OF MRS. ROSALIE VIGNE

Mrs. Rosalie Vigne passed to the great beyond last Saturday at her home near Buena Vista. She is survived by her husband, Marcel Vigne, two brothers, Jean and August Pellissier, and sister, Mrs. Bertold.

The funeral took place Tuesday from St. Francis church, with interment at Mountain cemetery.

The deceased lady was a native of France and 49 years of age.

JOE RYAN CAPTURES ESCAPED INDIAN

Feeble Minded, but Harkens to Call of the Wild, and Gets in Trouble.

Deputy Sheriff Ryan was called upon to solve the mystery of a robbery near Fetters Springs this week, when the Fisher cottage was entered and a peculiar collection of property stolen. Among the articles missing were clothing, a sack of sugar and things of less value. The experienced officer knew the theft was the work of out-of-the-ordinary thieves and went to work on the case from this angle. He had not been after the culprits very long when he happened to find a suspicious trail of sugar and a man's belt. The sugar convinced him he was on the right trail and the belt found proved to be one such as worn by all the hox inmates of the feeble minded home near Glen Ellen. Ryan communicated with the institution and was told that two of the inmates had escaped, one of them an Indian, six feet tall.

The deputy sheriff was convinced that the escapes were responsible for the robbery and were hiding in the foothills back of the springs. His suspicions were confirmed when a woman living in the vicinity sent a message to inform him that two suspicious characters had been lurking about her place and had just gone to the store at Fetters Springs to make a purchase. Ryan acted quickly, went to the little store and there found the Indian and a white boy, whom he took into custody. They proved to be the culprits.

DECISION EXPECTED SOON

The case of Bernard and Bacher has been submitted after a spirited trial and an early decision is expected. The controversy was over land boundaries and trespassing of neighbors' cattle. C. Cowgill represented Mr. Bacher and Attorney Cowen appeared for Bernard.

AS TO GETTING THE MONEY TO PAY THE BILLS

The question as to whether the taxpayer should come through with an ad valorem tax to make up the deficit existing in our all too expensively run state, or whether it should be borne by the corporations has been agitating the people for the past week. No one is more agitated unless it be the corporations than the taxpayer, who is decidedly the "goat." If the corporations are victorious, the taxpayer must come through for the extravagance and reforms any voter, regardless of whether or not he or she is a property owner, has seen fit to inflict by the careless use of the ballot. It is all so easy to vote "yes" for so many fanatical things in our state, and when the day of reckoning comes then there is an awful howl over paying for the things we authorized on election day. If people had to go into the ballot box with their pro rata of the cost of these new ideas and draw their checks and "pay the piper" then and there, we might not be so all fired emotional, "forward looking" and prodigal with our extravagant notions.

We believe there has been altogether too much antagonism to corporations in recent years and that they should not be hampered and taxed beyond the point where they can expand and be of real healthy service, but the fact remains that corporations can pass along the burden to the public (non-taxpayers as well as taxpayers) while otherwise the taxpayer must suffer while others reaping the benefits (if they are benefits) escape. The average taxpayer is a novice when it comes to passing on his burdens. The corporations are more skilled, and if they do pass the higher cost of existing onto the public are not open to criticism, he people have themselves to blame.

Thrift and the accumulation of property is being imposed on to such an extent that the next generation may see fit to be an intelligent lot of ne'er do wells, which is a far from desirable outlook.

An interesting slant on the present tax predicament in California is given by the San Francisco Argonaut. In a recent issue the Argonaut says: "The proceedings of the state legislature at Sacramento make mighty interesting reading for those whose personal budgets do not, so to speak, arrange themselves. We are just beginning to congratulate ourselves upon a fall in prices, and upon the possibility of retrenchment, but it seems that what we save in one way must be spent in another—in new taxes. No matter how cleverly these taxes are imposed, whether upon the long-suffering corporations, upon gasoline, or upon whatever it may be, they will fall ultimately upon the average consumer, upon the man who is not in a position to unload them upon others. At a time when taxation is already so close to the limit of endurance, that there should be still further increase is a matter for consternation with the most of us. But they seem to be inevitable.

Nor should we overmuch blame the legislature, as is our wont. We must blame ourselves. The doubling of the state expenses is due directly to the wave of hysterical "reform" which swept over the state some few years ago, and that was so adroitly used by Governor Johnson for his own own political advantage and for the creation of a machine worse and more unscrupulous than any machine that preceded it. Governor Johnson's peculiar method was the appointment of commissions. The government of the state is loaded with them. Nearly all of them are useless at best and pernicious at the worst. They are enormously expensive, and every cent of their cost is represented in taxation schedules. Direct legislation adds still further to the extravagances. The voter does not know, and he has no means of knowing, the cost of the measures for which he votes. The newspapers print vague and incomprehensible statistics of the public expenditure, or statistics that are so condensed and summarized as to be nearly useless. Without special effort no one can ascertain the fact that a large proportion of these expenditures go to the support of commissions that answer no useful purpose whatsoever, that are nothing more or less than pensions for political hacks.

And so the bill to be paid by the taxpayer goes steadily upward and it must continue to go steadily upward until the arrival of some strong man in the governor's chair or in the legislature who shall have the courage to sweep away the whole mass of absurdities. Perhaps the new taxation will help to that end. It is a heavy price, but perhaps not too heavy for the lesson that the get-rich-quick philosophy can not be applied to political or social reform. That is just the philosophy that we are now paying for.

General Vallejo, whose name led all the rest in the vote taken by a San Francisco newspaper on the most famous Californians for the national hall of fame statuery, was not honored by the state legislature, which substituted the name of Thomas Starr King as one of our two greatest native sons. We believe this to be not only high handed but unjust. General Vallejo was undoubtedly one of our greatest and most constructive Californians.

Since the vote was so close that there was a tie and a popular vote had indicated Vallejo as the people's choice, he should have been designated. The voice of the people does not seem to penetrate to Sacramento any more.

We had just ceased to boil over contemplating that sur tax and now we must rave over an ad valorem tax. Curses!

DAMAGE RIGHT IS

DENIED BY FETTERS

Emma and George Fettes, of Fettes Springs, filed an answer in the superior court to the suit of Rachel and Morris Siegman at Boyes Springs last spring when she tripped and fell on a board walk in front of the picture house of which the defendants are proprietors.

The defendants deny all allegations of the complaint and declare that if any injury was sustained by the plaintiff it was due to her own carelessness and neglect in not observing where she was going. It is said the board walk was in ordinary good condition and was used by hundreds daily before and after the accident.

Mrs. Al Stein, who has been ill, is now convalescent and will be able to resume her activities in club and fraternal circles.

News from Mrs. F. C. Wilson, the talented banjoist, now in San Diego, states that her arm, recently broken, is now out of the plaster cast and that she will soon be able to take her place in the popular Wilson orchestra playing at the Waldorf in the southern city.

Mrs. Wm. Clewe and her mother, Mrs. Smith, were among the guests at a bridge party at one of Santa Rosa's fashionable homes last week.

Conrad Kiser took the S. P. train Sunday morning en route to San Francisco.

Mrs. Will Clewe entertained a group of elderly ladies yesterday in honor of her mother.

SNOW AT RENO CHARM

SONOMA LODGE MEMBERS

The four lone Sonoma representatives at the L.O.O.F. conference and excursion to Reno returned Monday morning with the fine outing and the novelty of the snow which they encountered at Truckee and over in Nevada. The Sonoma lodge members joined the special train with a party of 500 at Sacramento, arriving Saturday morning in Truckee in time for a frolic in the snow, and getting into Reno at 6:30 the same evening. They were finely entertained at an all night affair. Vallejo put on the initiatory work for the Rebekahs in Odd Fellows' hall. Sacramento lodges conferring the degrees for the Odd Fellows assembled at the Reno high school. Later there was a fine banquet and dancing to two bands of music.

Those who went from Sonoma were Henry Hiser, Miss Jessie Hiser, Harry Dunn and L. Bosch.

MODERN CRANKCASE

CLEANING SERVICE

"Cleaning the crankcase is a troublesome job to the average motorist. For this reason regular cleaning of the crankcase was often neglected.

To remedy this condition and to add to the efficiency and life of automobile engines, the Standard Oil Company is sponsoring a new crankcase cleaning service, co-operating with high class garages throughout the Pacific coast. This new service is indicated on the sign that identifies garages where this service is to be had—Modern Crankcase Cleaning Service. The service is simple, but according to our lubrication experts it is most thorough and exceedingly efficient. Just three operations are necessary to give this service. Drain off the old, diluted oil, flush out the crankcase with Calol Flushing Oil, and refill the crankcase with fresh oil of the correct grade for the engine. It's a while-you-wait service, too.

Modern Crankcase Cleaning Service is a new step toward keeping engines fit for steady service; it means, obviously, better engine performance and longer engine life.

DANCE ORDINANCE AND OTHER

NEW LAWS FOR PETALUMA

Petaluma has enacted three new city ordinances, one conforming to the provisions and requirements of the national prohibition law and the Volstead act, another requiring the inspection of all meats brought into Petaluma, and the requiring of a regular tubercular test for all cows kept within the city limits by dairies or private parties.

The third ordinance is one regulating all public dances given in Petaluma. The following are some of the provisions of the new ordinance governing public dances:

Permit from the chief of police required, accompanied by a license fee of \$10.

The hall must be safe and well lit. Those who leave the hall cannot return without repaying the admission fee.

No intoxicated persons allowed in the hall.

Those under 16 years must be accompanied by their guardians.

All inmates or visitors of houses of ill-fame barred. Lights must not be turned out for any special dance effect.

Improper or indecent behavior or undue familiarity not tolerated.

The dance to be supervised by a matron of good moral character.

Special policeman on job.

Persons applying for dance permits must be of good moral character.

For violation of the provisions of the ordinance, \$20-\$100 fine, 30 days in jail, or both.

The ordinance has been enacted for the preservation of the public peace, health, safety and morals of the City of Petaluma.

For the violation of the prohibition ordinance, which can now be enforced by Petaluma officers, a minimum fine of \$250 and maximum of \$500, with 90 days in the county jail, is provided. The second violation carries with it a double penalty.

Mrs. Frances Klein, of Boyes Springs is to let the contract for a number of fine improvements on the bungalow recently purchased by her not far from the hotel.

The estate of the late Peter Wagner, who died in Berkeley last week, has been offered for probate. Deceased left property valued at more than \$10,000. His son, E. A. Wagner, is the well known merchant of Boyes Springs.

The Bridge club met Thursday at the home of Miss Annie Pemberton.

A little son was born to Mr. and Mrs. Elmer Harris (Agnes Kiser) this week at the home of her father on the Petaluma road. Dr. Hays was in attendance.

NOTICE

Article XV, Sec. 23. Misdemeanors

"It shall be unlawful to slaughter or kill within the corporate limits of the city of Sonoma any cattle, swine, sheep, lamb, hog or pig for use or disposition as food or merchandise." The penalty is a fine of not less than five dollars nor more than one hundred dollars so get wise; do not do it any more.

EARLY LENT THIS YEAR

NOTICE

Lent will come early this year, hence there is an endeavor to crowd social activities into the calendar before the penitential season makes its appearance. Ash Wednesday, which begins the Lenten season, occurs on February 9th. This will bring Easter earlier than usual, March 27th, or forty days following the opening Wednesday, exclusive of Sundays.

But it is Easter that regulates Ash Wednesday and not vice versa, and if you do not happen to know how Easter is calculated, it might prove interesting to learn that it occurs on the first Sunday after the first full moon after the vernal equinox. And as Easter regulates all of the other movable feasts on the calendar, its determination is of particular importance.

THE 1920 GRAND JURY HAS FILED ITS REPORT

The 1920 Sonoma county grand jury filed its report last week with some recommendations pertinent to county purchases and business matters carried on by the supervisors and purchasing agent. A recommendation for lower taxes is also made.

Said the report: "We offer the minutes of the various meetings held throughout the year, the reports of the committees on the various county offices and the report of the expert appointed by us."

"We find that the salaries of some of the county officials are less than those paid in other counties of this size and have recommended to our state legislature that such increases as they may see fit should be allowed."

"We find that in some county offices clerks are paid as little as \$60 a month and we would recommend that such salaries be adjusted so that more even salaries be paid in the different offices of the county."

"On visiting the county farm we find that the buildings are in a dangerous condition and would recommend that new buildings be erected

as soon as possible.

"We have also investigated the work of the social service commission and find that this department is saving the county a considerable sum of money each year in supervising the expenditure of the indigent fund."

"We would call attention to the report of the commission on the assessor's office in regard to the amount of taxes raised at this present time and would recommend that the tax rate be lowered so that it will be more in proportion to the increase in the county assessment."

"The county auditor and assessor were commended. The county probation officer was highly praised. The sheriff's office was found to be in excellent and efficient hands. County Clerk Felt's effort to get increased salaries for his deputies was endorsed."

"The tax collector was advised to install a system whereby delinquent tax payers can be better notified and have opportunity to redeem their property. The treasurer was commended for his good judgment in investing public funds. The county superintendent's office was praised. Two additional copyists were recommended for the county recorder's office, which was found to be in first class shape."

Of the board of supervisors and purchasing agent, the grand jury's report said:

"We recommend that the board of supervisors give more personal attention to the purchases made for the county and give less latitude to the purchasing agent in the purchasing of material and supplies for the county. It appears to us that too much profit has been allowed on machinery and supplies purchased. We recommend the purchase when necessary of substantial but not high priced cars for county use. Automobiles of moderate price but of known staple construction are, in our opinion, the proper cars for use by such offices as that of sheriff, while cheaper cars or light trucks would be the proper machines for much of the other work for which autos are purchased. We would further recommend that the auto system of the county be improved, whereby the private use of the county cars would be prevented. We would further recommend that all county cars be in the county garage at night when not in actual use in prosecuting county affairs, and would further recommend that wherever it is possible to assign an auto to any officer in need of one, that no one else be allowed to use same, and that such officer acquaint himself with the mechanism of the car and learn to drive the same, thereby relieving the county of the expense of a driver therefor. We would also recommend that the board of supervisors fix the tax rate as low as possible consistent with meeting the actual needs of the county."

Purchasing Agent
"We strongly condemn the practice of buying on a cost plus system. Whether material, goods and supplies are purchased through the purchasing agent or by the supervisors, the practice of advertising for bids for everything whenever practicable and not an extreme emergency, specifying in the advertisement the size, brand, etc., should be followed. Sonoma county is now and for a few

SONOMA SCHOOL FUNDS ARE APPORTIONED FOR YEAR

The first apportionment of county school funds for the fiscal year 1920-21 has been made by County Superintendent of Schools Ben F. Ballard. A total of \$155,250.50 is included in the apportionment to the elementary schools of the county, distributed on the basis of \$450 per elementary teacher and an average daily attendance of 7210 pupils in the county last year.

Santa Rosa, with 39 statutory teachers and 1299 average daily attendance, received \$23,446.

Petaluma, with 25 teachers and 794 average attendance, received \$14,426.

Sebastopol union district, with 12 teachers and 374 average attendance, received \$7896.

Heldsburg, with 10 teachers and 339 average attendance, received \$5356.

Sonoma, with six teachers and 221 average attendance, received \$4032. Cloverdale, with four teachers and 118 average attendance, received \$2272.

High School Funds

The various high schools of the county receive an apportionment from a special tax levied in each district as well as the general county tax. The amount each receives from each of the funds in the order named above is:

Ana's Union, \$23,355.62 and \$12,070; Calistoga Joint Union, \$965.56 and \$355; Cloverdale Union, \$1424.00 and \$3268; Geyserville Union, \$9083.83 and \$3376; Heldsburg, \$21,150.54 and \$14,176; Petaluma, \$12,611.98 and \$14,662; Santa Rosa, \$26,368.88 and \$25,354; Sonoma Valley Union, \$10,475.14 and \$5050; Tomales Joint Union, \$1350.14 and \$1740.

The Sonoma grammar school is making such a steady growth in attendance that a seventh teacher is contemplated. The salaries for the present teaching force range from \$150 per month for the principal to \$120 per month for the other teachers.

The Sonoma high school has six teachers also and an attendance which taxes the present capacity of the building.

ATTENDED FUNERAL OF SISTER

Mrs. R. L. Watt attended the funeral of her sister, Mrs. Mary Harmon, who died recently of pneumonia in San Francisco. Deceased was also a sister of Edw. Steiger of Schellville, and daughter of Ed Steiger, pioneer Caliente resident. Interment was at Mt. Olivet cemetery.

J. K. Bigelow went to Los Angeles on business this week.

Years to come will be a heavy purchaser and is entitled to the best prices. Wholesale prices are given retailers who buy less than Sonoma county.

Messrs. Debbell and Lowell were members of the grand jury.

DEATH CLAIMS FORMER RESIDENTS IN LOS ANGELES

Dr. Frederick Leix Succumbs to Operation and Marion Benjamin Wessling Died of Ptomaine Last Week.

Dr. Frederick Leix, one of the most successful physicians who ever practiced here and who was prominent in medical circles of Los Angeles at the time of his death, succumbed to an operation for liver trouble. Dr. Leix was taken ill two weeks before his demise, and when complications developed necessitating an operation, he lived but two days.

The doctor, after leaving Sonoma in 1913, made an extensive tour of Europe, devoting much time while in Vienna to the work which later became his specialty, X-Ray diagnosis. Since 1914 he had been very successful in his finely equipped laboratories in Los Angeles, and had a fine, lucrative practice in that city. He has been ably assisted by his capable wife, Dr. Frances Leix, who will now carry on his work of X-Ray diagnosis. In commenting on his passing the Los Angeles Express said:

LOS ANGELES, Jan. 17.—"Today the medical fraternity of Los Angeles mourns the passing of Dr. Leix, who with his wife, Dr. Frances, had built up one of the finest X-Ray laboratories on the Pacific coast, and who was recognized as an authority by a great many physicians here."

Dr. Leix was born in Germany in 1864, coming to America at the age of 16 years. He settled originally in Los Angeles and was graduated from the California Medical College. He was a member of the Los Angeles medical Association, of the State Medical Society, and fellow of the S.M.A., Vienna. He was prominent in fraternal circles, being a Knight Templar, member of the Malacka Shrine and twenty-five years a Mason. The funeral was under the auspices of the Masons in the City of Los Angeles.

Beside his widow a young son, Frederick, Jr., mourns the passing of this devoted husband and father.

Mrs. Howard Wessling (Marion Benjamin) only and beloved daughter of a well known Sonoma valley family, died in the southern city, where she had gone on her honeymoon. She was the victim of ptomaine poisoning and was only 22 years of age. Her untimely death followed the eating of canned fish.

Mrs. Wessling had graduated from St. Luke's as a trained nurse and about two months ago married the young man of her choice. He could not leave his business immediately for the trip south planned as their wedding tour, but on the first of the year he took his bride south. El Verano friends heard of the trip and from the young bride, who wrote just shortly prior to her fatal illness.

When she was stricken with the ptomaine, her mother at Elbridge was immediately sent for and hastened to the bedside of her idolized child. Despite every care and medical aid, however, the beautiful young life flickered out.

Deceased was a graduate of Sonoma high school, a brilliant student, a girl of lovely personality and many noble traits of character. She is mourned by a wide circle of friends and former schoolmates, all of whom feel deeply for the family in their great loss.

LETTERS REQUESTED

Alfred B. Abshire, husband of the late Mrs. Lily B. Abshire, filed a petition for letters of administration for the estate of the deceased with the superior court. Mrs. Abshire died September 4, 1920. According to the petition, Mrs. Abshire left an estate valued at about \$5500, consisting of property in Berkeley and in Santa Rosa. The only known relatives are the husband and a brother of the deceased, Charles B. Brieman, of Richmond. The petitioner lives in Geyserville.

Wedding bells for two charming school teachers are rumored.

SUBMITS TO THIRD OPERATION AS AFTERMATH OF ACCIDENT

Edgar Clements has been in a San Francisco hospital undergoing a third operation. He submitted to this treatment as aftermath of the awful tractor accident in which he almost lost his life. Mr. Clements has been away two weeks and is reported making good progress toward complete restoration of his health. The many friends of the prominent young orchardist wish him a speedy recovery and early return to his home.

THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3½-inch tires front and rear, for every day in the year has no equal as a family car. Just as popular on the farm as it is in the city. In fact, it fits the family demands in every vocation of life. Large, roomy seats, finely upholstered, plate glass windows make it an open car in pleasant weather, while in rainy and inclement weather it becomes a closed car, dust-proof and rain-proof. It is not only comfortable, but really cozy, and above all, economical in operation and maintenance, and has all the Ford merits of strength and durability.

JONES RANCH EMPLOYEE STRICKEN WHILE GOING HOME

Wm. Silva, foreman of Ranch No. 2 on the big Jones ranch at McGills was stricken with paralysis while going home last Sunday night. While crossing a bridge over the marsh Silva, feeling the attack coming on, got out of the buggy to exercise, but immediately sank down, finding himself helpless and unable to move. The horse went on, and when it reached the ranch without its driver, help was immediately dispatched along the road and Silva found where he had fallen an hour previous.

Superintendent Joe Keechler was immediately notified and had Silva conveyed to the sanitarium here where he is under the care of the local physicians. The patient has lost the use of both arms and legs.

VINEBURG NEWS

A very pleasing social event occurred on the Hyde tract on last Saturday evening when a grand surprise birthday party was tendered to our genial tonsorial artist, Mr. Frank Allen, by his many friends. Among those present were Messrs. Geo. Burns, Haid Roeder, Chas. Gillette, W. H. Preston, Clifford Monk, William Preston and Frank Allen, and Mesdames Burns, Roeder, Gillette, Preston and Allen. The honor for entertaining the company was carried off by Mrs. Chas. Gillette, who should be a headliner on the Orpheum circuit. A fine repast was served and a pleasant time enjoyed by all present.

Chas. Groskopf is at present engaged in Petaluma with his big county truck on road work. That is just the way it goes when the county wants good road men. It sends to Vineburg to get them.

Mr. and Mrs. William Helberg were visitors in this vicinity on Wednesday last, and William, the "Merry Minstrel" says his young Native Son is only 21 months old and can sing a coon song already. "Chip off the old block."

Mr. Frank Groskopf, of Vallejo, and a well known Native Son of Sonoma valley, is now enjoying a week's visit with his parents at his old home, "Whispering Pines," on the Napa Road.

Mrs. David Volquardson and daughter, Miss Helene, were visitors in the Metropolis the week end.

Among the arrivals at Batto's spur this week was a 50-ton car of choice coal. And from the way the weather has been for some time, good coal is a good thing to have.

HIGH SCHOOL NOTES

Four new students have entered school this month. They are Willard Cole, Teddy Moscovitz, Samuel Steinman and Arthur Dahlquist.

A program was given by the Honor Scholarship society at last Friday's assembly. It consisted of a musical number by Beth Lane and Anna Noyes, a talk by Don Prestwood on "More Boys in the Honor Society" and of an interesting debate on the topic "Resolved that Sonoma Needs a New High School Building More Than Good Roads." The affirmative was upheld by Herschel Hyde and the negative by Arthur Ritz. The decision of the Judge was on the side of good roads.

Plans are being made for a fine show, further announcement of which will be made shortly.—Reporter.

No. 7520. Dept. Two.
Order to Show Cause why Order of Sale of incompetent's real estate should not be granted.

In the matter of the Estate and Guardianship of JACOB F. MAYER, An Incompetent Person.

It satisfactorily appearing from the verified petition of Robert A. Poppe, the guardian of the person and estate of Jacob F. Mayer, an incompetent person, that it would be beneficial and expedient that the real estate belonging to the said incompetent should be sold.

It is therefore ordered, That the next of kin of said incompetent, and all persons interested in the said estate, appear before this Court on the 7th day of February, 1921, at the hour of ten (10) o'clock in the forenoon of said day, to show cause, if any they can, why such sale should not be ordered.

It is further ordered, That a copy of this order be published at least once a week for three successive weeks before said day of hearing, in Sonoma INDEX-TRIBUNE, a newspaper printed and published in said County of Sonoma, State of California.

Dated January 3rd, 1921.

TOGETHER WITH all and singular the tenements, easements and appurtenances there unto belonging, or in anywise appertaining.

Given under my hand and the seal of the Superior Court of the County of Sonoma, State of California, this 13th day of October, 1920.

(SEAL) W. W. FELT, JR., County Clerk.

By F. C. Thompson, Deputy Clerk.

WILL BE BURIED HERE TODAY

Chas. Whitlach, brother-in-law of the Rubke brothers, and husband of Martha Rubke Whitlach, died at his home in San Rafael this week and will be buried here today. Mr. Whitlach had been in poor health for many months, but an attack of pneumonia was the immediate cause of his death.

Deceased was a member of the Masonic lodge of this city and was also an Odd Fellow. The funeral service will be under the auspices of Sonoma Lodge F. and A. M. today at 1 o'clock.

The widow and little son of, deceased have the sympathy of many relatives and friends in their sorrow. Mr. Whitlach was a native of Ohio, aged 42 years. He was for 16 years a trusted employee of the Northwestern Pacific Railroad company.

Harold Prestwood left Wednesday for San Francisco to take up his new work. Harold's many young friends wish him much success and all will miss him here.

CLUB NOTES

A meeting of the Sonoma valley Woman's club was held on Friday for the transaction of regular necessary business. There was a good attendance, and among other matters decided upon was a card party with tamale supper for Friday night, the 28th.

The program was in charge of Mrs. George Ordahl of Eldridge, and comprised some splendid musical numbers, beside an address by Dr. Geo. Ordahl, a puno solo by Mrs. E. V. Emery and two vocal solos by Mrs. W. C. Wilson, all well rendered and greatly enjoyed by those present.

"The Social Problem of the People Minded" was discussed in an illuminating manner by Dr. Ordahl and received the attention of the audience. Mrs. Fred Helberg was hostess and served delicious cake and coffee.

The cake was furnished by Mrs. R. L. Watt for the silver fund—Club Reporter.

Held to answer as result of hallowe'en row

After a hearing Wednesday at the city hall before Judge Small, the court decided to hold Tom Farral and Dan Kennell to answer the charge of assaulting Bert Brown, the musician, who had his leg broken following trouble last Halloween. The trouble started at Joe White's place, where Jack 'n' lanterns were being put out for a party there. Brown and the Sonoma boys had a row in which Farral was cut. It is alleged that he and Kennell, anxious to get even, followed Brown to Caliente, where the latter was assaulted. As a result of the fight Brown was in the county hospital with a broken leg several weeks, and is still on crutches.

Bail was fixed at \$500 by Judge Small and was furnished by the defendants. The witnesses at the hearing Wednesday were Messrs. White, Belber, Filipani, Steurmer and Deputy Sheriff Ryan. Attorney Frank Sprague appeared for Kennell and Farral.

BIG SEED COMPANY NOW DISTRIBUTING NEW CATALOG

Aggler & Musser Seed Company of Los Angeles issues 28th Annual Book—Finest Yet Published

California's largest Seed Company is now distributing its 1921 seed catalog. The Big Annual exceeds all previous issues and is claimed to be a complete course in agriculture, comprising 112 pages, containing several hundred illustrations, while over one thousand questions are answered. The book is most interesting, entertaining and instructive. In reality it is several books in one, for it includes the important "Garden Manual."

There is something of interest to the Home Secker, Stockman, Dairyman, Rancher, Orchardist, Poultryman and Gardener, for there are departments on Home, School, Field and Demonstration Garden Work, More and Better Potatoes, Correct Tools and Implements to use for best results, also marketing notes on each subject, telling how, where and when to market. Hints on poultry, spraying, fertilizing and the use of insecticides are given.

The Aggler & Musser Seed Company is mailing the Annual to every section of this country and to foreign points, and readers of this newspaper may secure copies and be placed on the regular mailing list without any expense by writing the Aggler & Musser Seed Company, 620 South Spring Street, Los Angeles, California.—Adv. 1-22-2t
